

ACTION FOR BOTTON

PUBLIC MEETING
THURSDAY, 24 JULY 2014, 7:30 PM
DANBY VILLAGE HALL

QUESTION TIME

Community living at Botton is now under threat

Botton Village has been an inspiration for community living and social renewal for nearly 60 years.

Ignoring the wishes of most of Botton's residents, whether disabled or not, and of their families, The Camphill Village Trust is transforming this living and working community into a standard institutionalised care provider. They claim there are good reasons for this.

"Meet the panelists", ask your questions and show your support for our Botton friends and neighbours.

Please contact: action@actionforbotton.org for any further enquiries.
